

Pet Bus Riding Guidelines

To ensure the health and safety of drivers, passengers and pets, passengers should pay attention to and abide with the following rules when riding Pet Buses:

Boarding Procedures:

1. Each ticket permits one passenger to bring one pet to board the bus. Passengers bringing pets on board must be 18 years old or above and capable of fully taking care of and controlling their pets throughout the journey. Passengers under 18 must be accompanied on board by an adult. Additional passengers or pets must purchase additional tickets.
2. Passengers must present the ticket booking confirmation email to board the bus.
3. Passengers should arrive at the boarding location in advance and wait for the bus in accordance with their reserved date and time. No refund will be provided for late-coming passengers. Late-coming passengers may discretionarily be arranged to travel on the next bus subject to seat availability. The special arrangement is on a first-come, first-served basis without additional charge.
4. The rear seats of bus and the rear seats of upper deck (only applicable to double-deck bus) are priority seats for cats to separate cats from other pets. Passengers with other types of pets should select other seats.
5. To reduce stress on the pets and the possibility of conflicts, passengers and their pets must keep a safe distance from other passengers and their pets at all times.
6. Passengers should exercise caution and pay attention to their pets' safety when getting on or off the bus and using the stairs to access to and from the upper deck. Passengers should wait in line patiently and get on and off the bus one by one.
7. The bus does not accommodate standees. Passengers must remain seated while the bus is in motion.
8. The Kowloon Motor Bus Co. (1933) Limited ("**KMB**"), Sun Bus Limited ("**Sun Bus**") and Hoi Tai Tours Limited ("**Hoi Tai**") reserve the right of final decision on the boarding arrangement (including the special arrangement for late-coming passengers).
